

Bring **award-winning** devices to **any** work environment.

No matter where you are working, there is a Kyocera device to help you work smarter. With our extensive range, you will find the perfect device for the busiest of offices or the most productive remote workspaces.

Contact your local Kyocera expert for the right advice and solutions to help you stay connected.

A device for the busy workspace. Wherever that might be.

For the **productive** remote workspace.

Choose an **ECOSYS** device if you're looking for:

- Unbelievably low running costs
- Embedded security features
- Smaller compact devices
- Easy device set up
- Flexible maintenance options
- Comprehensive warranty & support

For the **busiest** office environments.

Choose a **TASKalfa** device if you're looking for:

- High volume document management
- Advanced scanning functionality
- High speed scan (dual) and print
- Advanced data and network security
- Advanced finishing options
- Modular paper handling

A commitment to service you will not get off the shelf.

Every Kyocera device you buy comes with our commitment to customer service. Our team will help you pick a device that is fit for purpose and designed to help you work smarter. You will also have the backing of our dedicated service team with a local help desk support.

For piece of mind, our unique warranty offers you up to 3 years on-site protection* where a technician will come to you and keep you on-line and limit down-time.

Talk to your local expert and bring the Kyocera difference to any work space.

- Reduced printing costs and extended operating life with Kyocera's unique long-life drum technology
